

NEW **Hinge Attachment**
for **EVO[®]** and **EVO[®] Speed Lacer**

The Hinge Attachment may be purchased for those who wish to upgrade their existing inventory of EVO and EVO Speedlacers. The hinge is designed to fit the EVO and EVO Speedlacer to provide even greater inversion/eversion control and protection against syndesmotic ankle sprains.

The removable plastic hinge allow for a progressive step down treatment protocol. This self-adjusting plastic hinge also provides greater resistance to external rotation.
