Night Splint Standard

Nighttime Treatment

Our M2 Night Splint Standard helps stretch the plantar fascia with adjustable bilateral dorsiflexion straps. Nighttime wear reduces the daytime pain associated with Plantar Fasciitis, Achilles Tendonitis, and other foot and ankle conditions.

- Gentle stretch for Achilles Tendon and Plantar Fascia
- Metatarsal wedge maximizes dorsiflexion stretch
- Adjustable, bilateral dorsiflexion straps
- Slip resistant sole
- Fits right or left foot
